# TREAT WITH CARE

## BECAUSE WE CARE

Roses and flowers are designed to celebrate, remember and indulge in equal measure, and Endura exists to select and preserve the finest blooms we can get our hands on.

Using an advanced and closely guarded secret preservation technique, Endura roses last for years and years at a time, keeping their natural, timeless beauty in perfect stasis without the need for water or upkeep of any kind.

# INSTRUCTIONS

Fragile-avoid touching

Indoor use only

Do not water

Avoid high temperature, high humidity & intense heat

Do not expose to direct sunlight

Occasional de-dusting with feather brush

By following our care instructions your wonderfully preserved gift should look amazing for the recommended lifespan icons.

Our terms and conditions apply.

Endura Roses are a natural product and our care instructions must be followed. Therefore we do not guarantee a replacement product and our terms and conditions are available online [www.enduraroses.com](http://www.enduraroses.com).
